

# Image Prompt

## Introduction to storyboarding

Draw a 3-shot story with this as one of the images.

Shot 1	Shot 2	Shot 3

From this simple sequence you can expand your story.

- Where did you put the picture and why: beginning, middle or end?
- What is the style (documentary/drama etc.)?
- Is your story complete, what happened before, what happens next?
- Do you have characters, what do they say?
